

Match-A-Cat Program Application

You Must Be 18 Years of Age to Adopt

Date _____

Applicant's Name _____

Address _____

E-mail _____

Home Phone _____ Cell Phone _____ Work Phone _____

What method is the best to reach you? Time and day of week?

1) List all human members of your household, including their names and ages: _____

2) List all non-human members of your household, their species, breed, and ages. Have they been around other cats? Also list any animals that have left your household within the last three years and the reason they are no longer with you (i.e. death, family member took them, gave away, etc). _____

Match-A-Cat Program Application

3) What is your reason for wanting to adopt a cat? Be specific – friend for another pet, emotional support animal, hiking companion, etc.

4) Give a brief description of what your average day is like. Are you home all day, or are you gone 8+ hours daily. How many hours will the cat be home alone. If your lifestyle is currently different now, than what it is normally, or if it varies depending on the time of year, please describe those days as well.

5) What is your personality like? Are you more of an introvert, or extrovert? Do you like to entertain, or prefer to chill out and binge watch your favorite shows?

Match-A-Cat Program Application

6) Are you willing to adopt more than one cat? We recommend, when adopting kittens, to adopt them in pairs, even if there are already existing pets in the household. Why or why not?

7) Are you an experienced “cat guardian,” or will this be your first time caring for a cat?

8) We require all of our cats to go to indoor homes only. Is that acceptable? Why or why not.

9) A volunteer will be contacting you to clarify any questions. We will also be contacting your veterinarian if you have existing pets. Please list your vet’s name and phone #. And sign/date here that you understand and give us permission to contact him/her:

Vet Name: _____ Phone #: _____

Date: _____ Signature: _____

10) Is there any other pertinent information that you think we should know?
